**Slidell I.S.D.**  
**District of Innovation Plan**  
**2016 - 2021**

**Introduction**

During the 84<sup>th</sup> Legislative Session, HB1842 passed that allows Texas public schools to become Districts of Innovation which would allow them to obtain exemptions from certain provisions of the Texas Education Code. Slidell ISD is exercising this opportunity to gain more local control and will request the following exemptions from the Texas Education Code.

**Term**

Slidell ISD's Innovation Plan will begin with the 2016-2017 school year and conclude at the end of the 2020-2021 school year unless the plan is terminated or amended by the Slidell ISD Board in accordance with HB1842. If at any time within this 5 year plan, other areas of exemptions are to be considered, the Board will nominate a new committee to consider new exemptions. Any future amendments will adhere to the same term of the original plan.

**Innovations**

**Goal #1**

**Kindergarten – Grade 4 Class Size**

*(TEC 25.112a-g) (TEC 25.113a-b) (EEB LEGAL)*

***Statutes that relate to this goal.***

*TEC 25.112 requires districts to maintain a class size of 22 students or less for Kindergarten – 4<sup>th</sup> Grade classes. When any class exceeds this limit, the district must complete and file a waiver with the Texas Education Agency.*

*TEC 25.113 requires district to notify parents of waivers or exceptions to class size limits.*

## **Innovation Strategies:**

1. At the beginning of each school year, Slidell ISD will meet the suggested student to teacher ratio of 22:1 per K-4 homeroom class. In the event that any class size exceeds this ratio during the school year, the superintendent will report this information to the Board of Trustees and to the parents of the affected students. The determination of whether to add another teacher to bring the class under the 22:1 mandate will be made by the campus administration and this recommendation will be reported to the Board of Trustees.
2. A TEA waiver will not be filed when a K-4<sup>th</sup> classroom exceeds the 22:1 ratio.

## **Goal #2**

### **School start date**

*(TEC 25.0811a) (EB LEGAL)*

### ***Statutes that relate to this goal.***

*TEC 25.0811 states that a school district may not begin student instruction before the 4<sup>th</sup> Monday of August.*

*The current process allows no flexibility in the design of annual calendars to fit the needs of the community or the wishes of the local Board of Trustees who represent community interests in this matter.*

## **Innovation Strategies**

1. Slidell ISD students will begin instruction no earlier than the 3<sup>rd</sup> Monday of August. This change will create better flexibility in the creation of the district calendar as well as allowing more opportunities in scheduling meaningful and balanced staff development days.
2. The earlier start date will allow the district to move instructional days that occur after state mandated testing dates to the front of the school year.
3. The earlier start date will provide more balance to the first 3 six weeks grading periods during the first semester.

## **Goal #3**

### **Length of School Day**

*(TEC §25.082a)(SAAH 3.8.1)*

### ***Statutes that relate to this goal.***

*TEC 25.082a states that a school day must be 7 hours each day including recesses and intermissions.*

*SAAH 3.8.1 states that a school day must be at least 420 minutes including recesses and intermissions. School districts are subject to this requirement.*

*The current rules allows no flexibility in the design of district and campus schedules.*

## **Innovation Strategies**

1. The opportunity to exempt from the 420 minute school day requirement will provide the district the opportunity to provide each campus the flexibility of creating a daily schedule that will better serve the students and teachers on each campus. This flexibility will give local control to the district in meeting the yearly requirement of 75,600 minutes in relation to the district calendar for each specific school year.
2. This exemption will provide greater flexibility than the current 6 day waiver maximum that relates to the length of the school day.
3. The opportunity to be exempt from the 7 hour day requirement will allow the district to create more flexibility within the daily schedule for students and staff. This flexibility will be used to create a unique bell schedule instead of the static schedule required of schools by this mandate.
4. The district will provide teachers and administrators the opportunity for weekly and monthly staff development opportunities through the creation of these unique schedules.

## **Goal #4**

### **Certification - General**

*(TEC §21.003a) (DBA LEGAL) (DBA Local)*

### **Manner in which statute inhibits the goals of the plan**

*TEC 21.003(a) states a person may not be employed as a teacher, teacher intern or teacher trainee, librarian, educational aide, administrator, educational diagnostician, or school counselor by a school district unless the person holds an appropriate certificate or permit issued as provided by Subchapter B.*

## **Innovation Strategies**

1. The campus principal may submit to the superintendent a request for local certification that will allow a certified teacher to teach one subject in a related field for which he/she is not certified. The principal must specify in writing the reason for the request and document what credentials the certified teacher possesses that would qualify this individual to teach the proposed subject. Emergency or financial situations creating the need for this assignment should also be noted.
2. The current certification requirement severely limits the districts options to hire professionals with work related experience or degrees to teach a variety of courses from CATE and STEM related courses along with other required courses needed throughout the district. In order to maximum the opportunities for students to take such courses, the district will consider the qualifications necessary to create a local requirement for these courses instead of the requirements set forth in TEC 21.003(a). This exemption will allow the district to:
  - a. Consider part time professionals to teach courses
  - b. Opportunity for professionals to transition from other work related jobs to the teaching profession.
  - c. Increase the number of CATE and STEM type courses available.
  - d. Trade related professionals the ability to teach related courses.
3. The superintendent will report this action to the Board of Trustees at the first board meeting following these assignment.

4. A teacher certification waiver, state permit applications, or other paperwork will not be submitted to the Texas Education Agency.

## **Slidell ISD District of Innovation Plan Timeline(s)**

### **March 6<sup>th</sup>, 2016 – 5:00 pm – March 2016 Board Meeting**

- Public Hearing to explain and discuss the possibility of becoming a District of Innovation (*TEC 12A.002(b)(2), 12A.003*)
- Board approval of Resolution that will begin the decision process (*TEC 12A.001 (c)(1)*)
- Resolution attached.

### **April 24<sup>th</sup>, 2016 – 5:00 pm – April 2016 Board Meeting**

- Board approval of members of District of Innovation Committee (*TEC 12A.002(b)(2), 12A.003*)

### **May 5<sup>th</sup>, 2016 – 3:30 pm**

- First meeting of the District of Innovation Committee

### **May 26<sup>th</sup>, 2016 – 3:30 pm**

- Second meeting of the District of Innovation Committee

### **June 2<sup>nd</sup> & 6<sup>th</sup>, 2016 – 9:00 am**

- Teacher staff development meetings to discuss specific exemptions of TEC as it relates to HB 1842.

### **June 10<sup>th</sup>, 2016 – 9:00 am**

- Final meeting of the District of Innovation Committee.
- Creation of the Proposed Slidell ISD District of Innovation Plan.

### **June 10<sup>th</sup>, 2016 – 10:30 am**

- Proposed Slidell ISD District of Innovation Plan approved by the District Site Based Committee.

### **June 10<sup>th</sup>, 2016**

- Proposed Slidell ISD District of Innovation Plan posted to [www.slidellisd.net](http://www.slidellisd.net)

### **June 20<sup>th</sup>, 2016 – 6pm Regular June Meeting**

- Proposed SISD District of Innovation Plan is reviewed by the SISD Board of Trustees.
- Slidell ISD Board of Trustees notification to the TEA Commissioner of the District's intention to vote on the District of Innovation Plan.

**July 10th – 5:00pm, Regular July Board Meeting**

- Approve the District of Innovation plan by a vote of ( 4 - 0 ) (*TEC 12A.005(b)*)
- District of Innovation Plan along with the TEA form relating to the specific TEC exemptions in the plan
- 
- is submitted to TEA and the Commissioner.
