

## District 22A

**Re: Warning Letter from District 21A**

The District Executive Committee of District 22A has adopted a resolution concerning fan behavior at extra-curricular activities. It has come to the attention of the District Executive Committee of the following game ejection:

Name	Date of Ejection	Site	Game
------	------------------	------	------

Any person that has previously been ejected from any extra-curricular contest by a referee or administrator is hereby given notice that any further ejection, regardless of location of the contest, will result in a one-year suspension from any District 22A extra-curricular activity. A copy of this letter will be sent to all superintendents in District 22A. An incident report will also be forwarded to the athletic director of the University Interscholastic League.

While we encourage positive fan participation during contests, we will not tolerate behavior that will embarrass our students or schools. Officials working these contests are deserving of our respect and must be treated accordingly. We encourage you to review the Parent Information Manual that can be found at <https://www.uiltexas.org/athletics/manuals>.
