CONTRIBUTIONS

If the District applies to obtain money provided by the United States government or its agencies and if any of the money will pay part or all of any employee's salary, the District must also apply for any legally available funds to pay state contributions to the retirement system as set out in Government Code 825.404, and to pay state contributions to the group insurance program for retired school employees as set out in Insurance Code Chapter 1575.

When the District receives funds to pay for state contributions for retirement and insurance pursuant to this application, it shall immediately send such funds to the retirement system for deposit in the state contribution account. The District shall report monthly to the system, in a form it prescribes, the names of each employee paid in whole or in part from a grant, the source of the grant, the amount of the employee's salary paid from the grant, the amount of money provided for state contributions for the employee by the grant, and such other information as the retirement system deems necessary.
