BOND FOR
INSURED LOSS

The Board shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the governmental entity, furnishes or has furnished by a contractor:

1. A performance bond for the benefit of the District, as described above; and

PREVAILING WAGE ON
PUBLIC WORKS

A worker, laborer, or mechanic employed on a public work, exclusive of maintenance work, by or on behalf of the District shall be paid not less than the general prevailing rate of per diem wages. The general prevailing rate of per diem wages is the rate of per diem wages for work of a similar character in the locality in which the work is performed, and also includes the rate of per diem wages for legal holiday and overtime work. A worker is employed on a public work if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with the District. *Gov't Code 2258.001, 2258.021*

The Board shall determine, as a sum certain, the general prevailing rate of per diem wages in the District for each craft or type of worker needed to execute the contract and also for legal holiday and overtime work. To ascertain the general prevailing rate of per diem wages, the Board shall either conduct a survey of the wages received by classes of workers, laborers, and mechanics employed on projects of a character similar to the contract work in the District or adopt the prevailing wage rate as determined by the U.S. Department of Labor. The Board shall specify the prevailing rate of per diem wages in the call for bids and in the contract itself. The Board's determination of the general prevailing rates of per diem wages shall be final. *Gov't Code 2258.001, 2258.022*

ENFORCEMENT

The Board, and an agent or officer of the Board, shall receive complaints regarding violations of the prevailing wage requirements of Chapter 2258, and withhold money from the contractor as required by statute. Upon receipt of a complaint, the Board shall determine, before the 31st day after the date the information is received, whether good cause exists to believe that a contractor or subcontractor has failed to pay the prevailing wage and shall provide written notice of its determination to the contractor or subcontractor and any affected laborer, worker, or mechanic of its initial determination. *Gov't Code 2258.051, 2258.052*

RETAINAGE AND
REIMBURSEMENT

The Board shall retain any amounts due under the contract pending a final determination of the violation. Upon a final determination that violations have occurred, the Board shall use those retained amounts to pay the laborer, worker, or mechanic the difference between the amount the worker received in wages and the amount the worker would have received at the prevailing rate of per diem wages provided in the arbitrator's award. The Board may adopt rules, orders, or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.052(d), 2258.056*

PENALTY FOR
NONCOMPLIANCE

The contractor to whom the contract is awarded or any subcontractors of the contractor shall pay not less than the specified rates to

all laborers, workers, and mechanics employed in the execution of the contract. A contractor or subcontractor who fails to pay the specified rates as required shall pay to the District \$60 for each worker, laborer, or mechanic employed for each calendar day or part of a calendar day the worker is paid less than the wage rates specified in the contract. The Board must specify this penalty in the contract. If the District does not determine the prevailing wage rates and specify them in the contract, the contractor or subcontractor may not be fined. The Board shall use any penalty money collected to offset the costs incurred in administering Government Code Chapter 2258. *Gov't Code 2258.023*

REQUIRED WORKERS'
COMPENSATION
COVERAGE

When the District enters into a building or construction contract on a project, it shall fulfill the following requirements regarding required workers' compensation coverages. A project includes the provision of all services related to a building or construction contract for the District. The District shall:

1. Include in the bid specifications all the duties and responsibilities of contractors pertaining to required workers' compensation coverages. [See CV(EXHIBIT)]
2. As part of the contract, using the language required by 28 TAC 110.110(c)(7), require the contractor to perform the duties and responsibilities pertaining to required workers' compensation coverages. [See CV(EXHIBIT)]
3. Obtain from the contractor a certificate of coverage for each person providing services on the project, prior to that person's beginning work on the project. This provision includes all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracts directly with the contractor and regardless of whether that person has employees. This includes, but is not limited to, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity furnishing persons to perform services on the contract. Services include, but are not limited to, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other services related to a project. Services do not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.
4. Obtain from the contractor a new certificate of coverage showing extension of coverage:

- a. Before the end of the coverage period, if the contractor's current certificate shows that the coverage period ends during the duration of the project; and
 - b. No later than seven days after the expiration of the coverage for each other person providing services on the project whose current certificate shows that the coverage period ends during the duration of the project.
5. Retain certificates of coverage on file for the duration of the project and for three years thereafter.
 6. Provide a copy of the certificate of coverage to the Texas Department of Insurance upon request and to any person entitled to a copy by law.
 7. Use the prescribed language for bid specifications and contracts without any additional words or changes, except those required to accommodate the specific document in which they are contained or to impose stricter standards of documentation. [See CV(EXHIBIT) for prescribed language]

EXCEPTION

This coverage requirement does not apply to sole proprietors or partners of a covered business entity or corporate officers, if the sole proprietor, partner or officer is explicitly excluded from the coverage of their business entity through an endorsement to the insurance policy or certificate of authority to self insure. *Labor Code 406.097; 28 TAC 110.110(i)*
