LOCAL ACHIEVEMENT
TESTING

In addition to the state-administered assessment instruments, the District may adopt and administer criterion-referenced or norm-referenced assessment instruments, or both, at any grade level. A locally adopted norm-referenced assessment instrument must be economical, nationally recognized, and state-approved.

For purposes of this provision, "assessment instrument" means a District-commissioned achievement test, either nationally normed or criterion-referenced, that is group administered and reported publicly (such as to the Board) in the aggregate.

A company or organization scoring an assessment instrument shall send test results to the District for verification. The District shall have 90 days to verify the accuracy of test data and report the results to the Board.

The company or organization shall provide test results in electronic form to the District and to TEA. If the District develops its own assessment instrument, it must report the results in electronic form to TEA.

The District shall follow procedures for test security and confidentiality set forth in 19 TAC Chapter 101, Subchapter C. [See EKB] The District may not use the same form of an assessment instrument for more than three years.

HOME-SCHOOLED
STUDENTS

The following provisions apply to a home-schooled student entitled under Education Code 25.001 to attend school in the District.

The District shall permit a home-schooled student to participate in an administration of the PSAT/NMSQT or a college advanced placement test offered by the District.

"Home-schooled student" means a student who predominantly receives instruction in a general elementary or secondary education program that is provided by the parent, or a person standing in parental authority, in or through the child's home.

FEES

The District shall require a home-schooled student to pay the same fee to participate in such a test that a student enrolled in the District is required to pay.

NOTICE

The District shall post on an Internet Web site maintained by the District the date the PSAT/NMSQT will be administered and the date any college advanced placement tests will be administered. The notice must state that the PSAT/NMSQT or the advanced placement test is available for home-schooled students eligible to attend school in the District and describe the procedures for a home-schooled student to register for the test.

A district that does not maintain an Internet Web site must publish the notice in a newspaper in the District. If a newspaper is not published in the District, the District shall provide for the publication of notice in at least one newspaper in the county in which the District's central administrative office is located.

The required notice must be posted or published at the same time and with the same frequency with which the information is provided to a student who attends a District school.
