EXTRACURRICULAR  
ACTIVITIES

An extracurricular activity is an activity sponsored by the UIL, the Board, or an organization sanctioned by Board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills, but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include public performances (except as described below), contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;

3. For each extracurricular activity, the District must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The Commissioner recommends that school districts avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3–11.

2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.
3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. The District must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.
