

**Gifted and Talented Education**

**Slidell ISD**

**FALL- NEW TO THE DISTRICT**

**Nomination Form- Parent/Legal Guardian Nomination**

Each fall, students who are "new to the district" in grades 1<sup>st</sup>-12<sup>th</sup> are given the opportunity to be nominated for the Gifted and Talented Program. By signing this nomination form you are choosing to nominate your child to be tested for the Slidell GT Program AND giving permission for your child to be in the program if they meet qualification criteria.

Initially, students will be given a cognitive abilities test of which they must score a 95% or above on one of the tested areas. If initial criterion is met then a series of tests will be given and administered through October. You will be notified of qualification status at the end of testing. Areas tested are, general reasoning, analytical/critical thinking, achievement areas: Math, Language, Science and Social Studies, and a parent and teacher inventory is given.

If a child qualifies in grades 1<sup>st</sup>-5<sup>th</sup>, they will receive pull-out instruction and in class differentiation to help accommodate the child's gifted area needs. Students in Jr. High and High School receive differentiated instruction and gifted areas are considered when nominating for Pre-AP and AP classes, UIL, Math/Science teams, etc.

Please consider possible characteristics of a gifted child when deciding to test your child. There are no "set" characteristics, but common ones are listed on the second page.

If you would like for this child to be tested for this program, please fill out the information below and return this form by the deadline of: **THURSDAY, OCTOBER 29, 2015.**

For additional information you may visit [www.slidellisd.net](http://www.slidellisd.net). If you have any questions, please contact me @ [amccormick@slidellisd.net](mailto:amccormick@slidellisd.net) or 940466-3118 x 238.

*Thank you, Angie McCormick, District GT Coordinator*
